# THE MONDO-DR AWARDS 2026

Presented by the team behind MONDO-DR magazine, the MONDO-DR Awards were established in 2017 to recognize and celebrate the finest installation projects worldwide. These awards honour the achievements of installers and system integrators across 18 categories, showcasing exceptional work from around the globe. With an open submission process, anyone can nominate projects on behalf of these companies, ensuring a diverse and competitive selection.

Building on the outstanding success of the 2025 event, which saw a record-breaking number of entries and attendees, expectations are high for the 2026 edition. The MONDO-DR Awards 2026 will take place in Vegas on Wednesday 17 June.

New for 2025 was an introduction of an updated voting process that allowed the industry to have a direct voice in selecting the winning projects. A panel of industry experts curated the shortlist, and voting then opened to industry members, which then combined input from both the judges and the industry determining the final winners. This process will continue for 2026.

# WHY SPONSOR THE MONDO-DR AWARDS 2026?

There is no other award ceremony in the industry purely focused on fixed installation projects from the entertainment venue sector.

From the start of your sponsorship, you will be part of our awards campaign that promotes across social, digital and print – along with additional branding at the event.

## OVERVIEW OF 2025'S CAMPAIGN

**Print Adverts:** 5

**Circulation:** 6,827

**Eblasts:** 19 campaigns

**Subscribers:** 4,576

**Open Rate:** 43%

**Active MONDO-DR Awards Website Users:** 7,111

**Active MONDO-DR Awards Website Visits:** 13,000

### DIGITAL SUPPLEMENT:

**Digital Impressions:** 10,435

**Companies Represented:** 155

**Attendees:** 408

# JUDGING PROCESS

An independent and respected judging panel made up of industry professionals will review all project entries submitted and create a shortlist of the top four in each category based on their selections. We will then ask them to vote on the shortlist for their favourite project. NEW in 2025, we will then announce the shortlist for an industry wide vote. This gives everyone the opportunity to have their say on the final winners, with a 30% vote from the judges and 70% vote from the industry to determine the overall winners.

The Sustainability Award will be judged by a different panel, who have demonstrated evidence of sustainable practices in the industry, and may include a representative from the previous years' winner of the award

## What are they looking for?

- The objective and initial brief
- The creative design and specification process
- Strategy to meet the target audience requirements
- The installation and implementation
- Any proof of market development initiatives
- Evidence of technical innovation and creative solutions
- The result and evaluation

## CONTACTS FOR FURTHER INFORMATION:
